

# B2B cooperation only for travel agents tour operators & Companies .

If you are a travel agency or a tour operator and you want to plan a trip in Greece and Europe and you want to be consistent with your customer base then contact with us to advise you about the planning ,the operation, the stopples assistance and the cost of the trip.

As travel advisors take pride in helping make your trip one-of-a-kind.

When using online booking sites, you never know who to contact or where to get guidance from. From planning until you return, you have someone by your

side just a phone call or email away.

24 hours a day we are next to your customer for resolving all her needs .

Give us the dates and details of your trip and we will plan a good program respecting the value for money

**Please request a Quote for your next Trip !**
